Why is this made?

I have been friends with Camerite, also known as shizza04, lomaurah, letic86, masonbc, and bincbln, since 2018. I never knew about the document exposing him and his behavior till recently. Camerite's behavior is unacceptable, notoriously for the acts and remarks of pedophilia. I was one of the victims affected by his exploitation.

His behavior has been the same since his actions in 2017, he will never change and will repeat his actions. My friends were MANIPULATED by him to hate on me which is sick behavior what he did.

About his pasts…

He was a Blocklander at the time on forums from 2014 to 2017. He was exposed to be sexual with other minors at the time, he was 15 at the understandable time, but his behavior never changed. He went on a new identity afterward, which was "lomaurah" till he changed it to "Camerite".

He was Admin in a game called "Emote Dances" and staff knew about his past in the community. He was still himself, being creepy and insensitive in one small thing.

He was in madness communities too in 2018, like CRM and GP. But since I told SiN moderators about his vile behavior, resulting in him being permanently banned.

He was Admin in another game/community called "Goodblox", which is one of those old roblox communities that like to play on 2009's engines. He was ALSO insensitive when somebody made light jokes and so, being creepy/sexual to people in DMs (especially underaged people), etc… Which happened from 2020 to 2021.

The Group Chat

I made a group chat with one of Somewhere in Madness server's staff teams with the victim to talk about the pedophilic actions that Camerite has been doing lately.

There's a huge amount of proof that Camerite has been doing that finally gave the conclusion that Camerite won't change and will go on a bad path.

[redacted] 30-Oct-20 12:40 AM

Camerite 30-Oct-20 12:40 AM
decent
but theres uh

a slight issue

[redacted] 30-Oct-20 12:40 AM
lemme guess

Camerite 30-Oct-20 12:40 AM
?

[redacted] 30-Oct-20 12:41 AM
nothin

Camerite 30-Oct-20 12:41 AM
just say it my dude

[redacted] 30-Oct-20 12:41 AM
no

Camerite 30-Oct-20 12:41 AM
ok

[redacted] 30-Oct-20 12:42 AM
cause i dont want to say it then it turns out that isnt what i think it is

Camerite 30-Oct-20 12:42 AM
it probably is

[redacted] 30-Oct-20 12:42 AM
yea

Camerite 30-Oct-20 12:43 AM
which reminds me
i was gon ask if you were okay with nsfw since, uh, some art of niko is p cute but is also kinda.. questionable
and before you ask no i dont mean kid niko
that stuff is gross

and before you ask no i dont mean kid niko
that stuff is gross

it was a weird ass first impression but i proceeded to just shrug it off cause i didn't wanna like scream at him

[redacted] 30-Oct-20 12:43 AM
im fine with it but it's UNHOLY
Dont. Lewd. The niko.

Camerite 30-Oct-20 12:43 AM
it's adult niko

[redacted] 30-Oct-20 12:44 AM
Still

Camerite 30-Oct-20 12:44 AM
o
sry :<

[redacted] 30-Oct-20 12:44 AM
nah that's just my opinion im not gonna berate you for nsfw
totally fine with it

Camerite 30-Oct-20 12:44 AM
alrighty
because the one time i drew niko was nsfw lol
is.. that ok

we hung out alot and camerite would have alot of

"affectionate" moments as he would call them

i can't prove any of that cause it was mostly in VC, and i wasn't recording but there were a few aftermaths in chat i can show

basically he'd appear to really start to like me for no apparent reason despite me being 15 and he's said he's like 18

[redacted] 05/11/2021

Did he know your age before he liked you?

[redacted] 05/11/2021

i'm pretty sure i had said it to him

im trying to search the logs

scribble 05/11/2021

@[redacted] i remember you did

in vc obviously

[redacted] 05/11/2021

yeah

thats what i was thinking

camerite always pulled the excuse

"texas age gap laws say its okay"

i can mention that he would often be too nice

and would show alot of fear whenever anything bad would happen

if my PC bsods or some shit he would start quivering in his boots

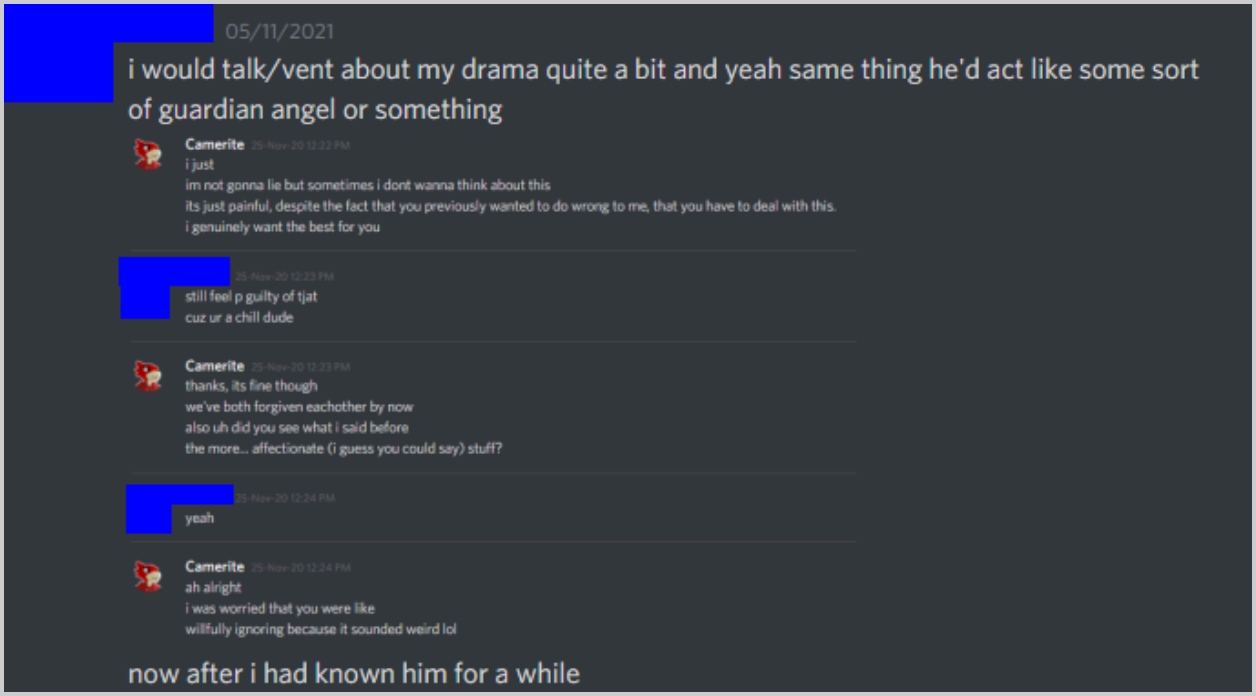
wtf (edited)

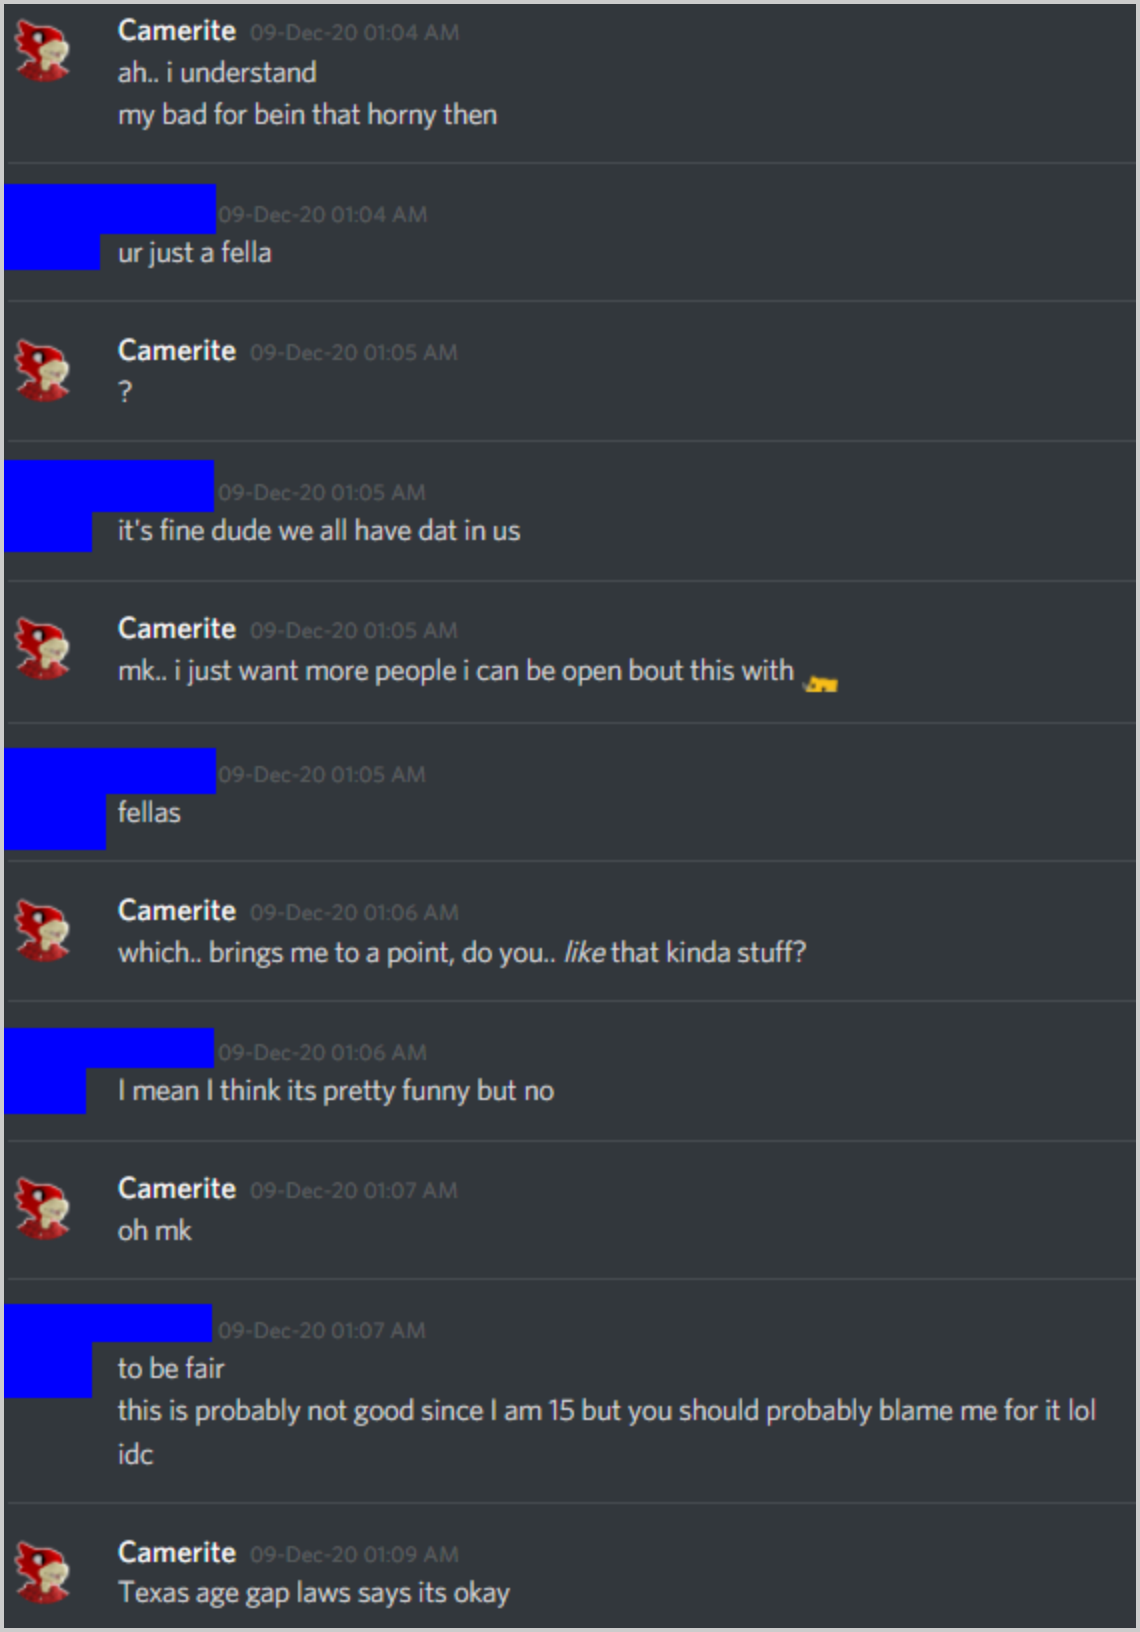
[redacted] 28-Nov-20 01:34 AM
I got off vr
got off the computer
took a vacuum downstairs
came back
moved the mouse and both displays go black
nothings happening
the screens come back on for a split second and I hear the device connected noise
nothing happens after so I do a hard shutdown
it starts and I see the login screen for like a second then BSOD
POOPY!!!

Camerite 28-Nov-20 01:37 AM
ngl im kinda scared
for ur comp



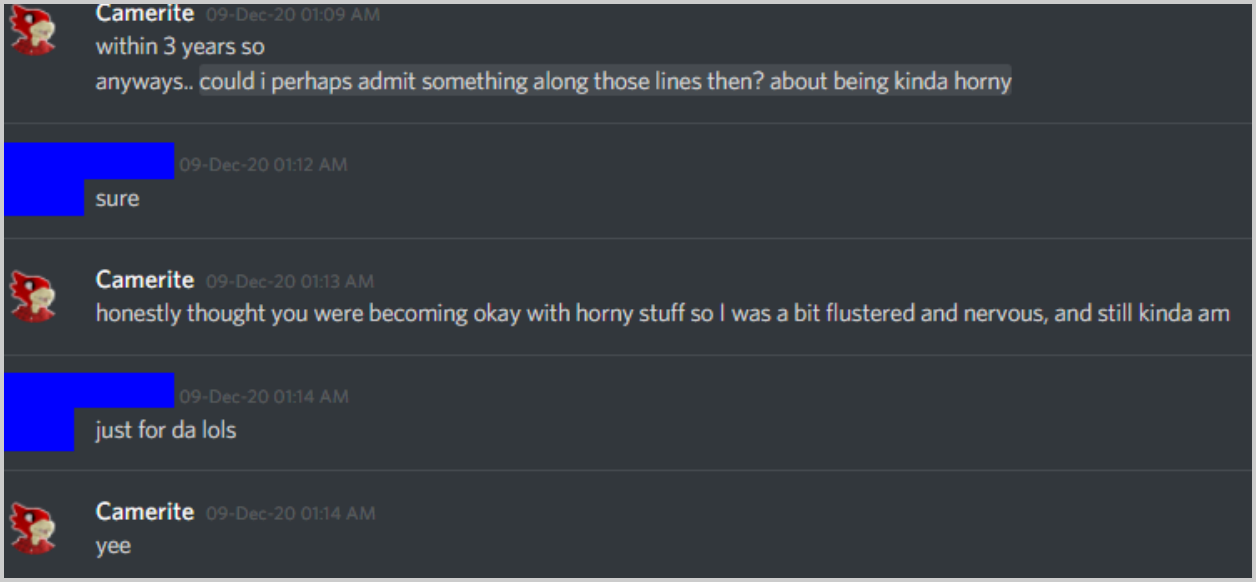
[redacted] 05/11/2021
i would talk/vent about my drama quite a bit and yeah same thing he'd act like some sort of guardian angel or something
Camerite 25-Nov-20 12:22 PM
i just
im not gonna lie but sometimes i dont wanna think about this
its just painful, despite the fact that you previously wanted to do wrong to me, that you have to deal with this.
i genuinely want the best for you
[redacted] 25-Nov-20 12:23 PM
still feel p guilty of tjat
cuz ur a chill dude
Camerite 25-Nov-20 12:23 PM
thanks, its fine though
we've both forgiven eachother by now
also uh did you see what i said before
the more... affectionate (i guess you could say) stuff?
[redacted] 25-Nov-20 12:24 PM
yeah
Camerite 25-Nov-20 12:24 PM
ah alright
i was worried that you were like
willfully ignoring because it sounded weird lol
now after i had known him for a while

now after i had known him for a while
i was having a moment where i was on his brickadia server
and i kept killing him in a deathmatch
and i was taunting him
and it caused a huge scene in a private server, and that usually would happen alot
cause i would just act kinda lame and i did not fit in quite well with his friends because i can be pushy
so i hadn't really spoken to him at all since i removed him, and my friend razorboot
who also knew camerite
was urging me to return to him since he thought it hurt him
and after a quite long while, maybe half a year i decided to do so and i used SIN to shoot him a dm and we caught up on shit and we started to hang out again for like
i think 4 days
and it was normal
until we decided to play classicube
now
some of his strategies
one of them being a thing he does where he'll
pretend to keep something from you
and he'll try to entice you to know what it is until he tells you
so at that point
you won't push him for it if it's weird
cause if he just straight up says it he'd probably get knocked
i can try to dfind an example

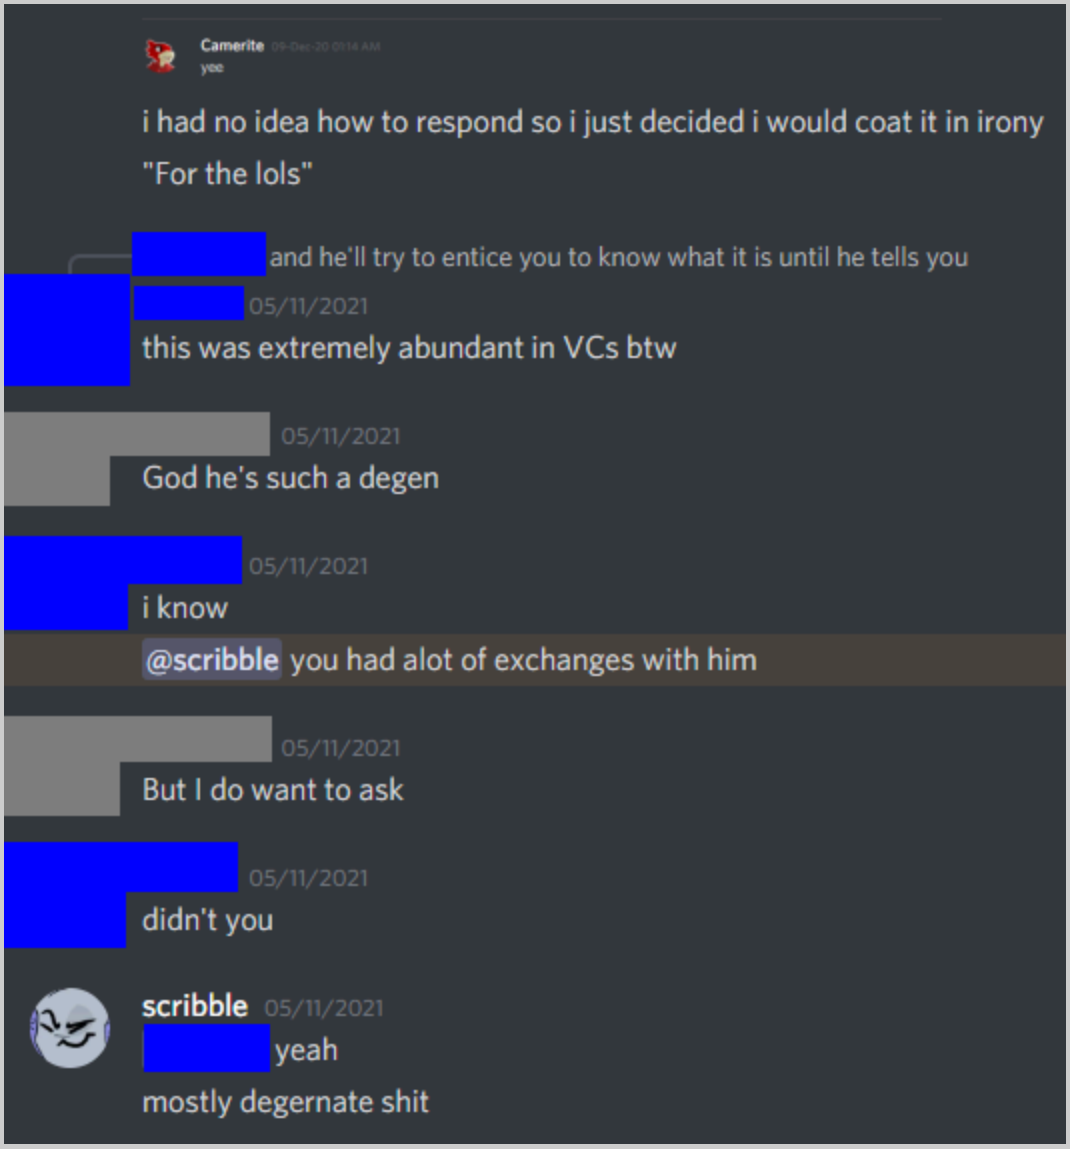


Camerite 09-Dec-20 01:04 AM
ah.. i understand
my bad for bein that horny then
09-Dec-20 01:04 AM
ur just a fella
Camerite 09-Dec-20 01:05 AM
?
09-Dec-20 01:05 AM
it's fine dude we all have dat in us
Camerite 09-Dec-20 01:05 AM
mk.. i just want more people i can be open bout this with
09-Dec-20 01:05 AM
fellas
Camerite 09-Dec-20 01:06 AM
which.. brings me to a point, do you.. *like* that kinda stuff?
09-Dec-20 01:06 AM
I mean I think its pretty funny but no
Camerite 09-Dec-20 01:07 AM
oh mk
09-Dec-20 01:07 AM
to be fair
this is probably not good since I am 15 but you should probably blame me for it lol
idc
Camerite 09-Dec-20 01:09 AM
Texas age gap laws says its okay

^ wat



Camerite 09-Dec-20 01:09 AM
within 3 years so
anyways.. could i perhaps admit something along those lines then? about being kinda horny
09-Dec-20 01:12 AM
sure
Camerite 09-Dec-20 01:13 AM
honestly thought you were becoming okay with horny stuff so I was a bit flustered and nervous, and still kinda am
09-Dec-20 01:14 AM
just for da lols
Camerite 09-Dec-20 01:14 AM
yee



Camerite 09-Dec-20 0:14 AM
yee
i had no idea how to respond so i just decided i would coat it in irony
"For the lols"
and he'll try to entice you to know what it is until he tells you
05/11/2021
this was extremely abundant in VCs btw
05/11/2021
God he's such a degen
05/11/2021
i know
@scribble you had alot of exchanges with him
05/11/2021
But I do want to ask
05/11/2021
didn't you
scribble 05/11/2021
yeah
mostly degernate shit

[redacted] 05/11/2021

camerite played it more safe with me

[redacted] 05/11/2021

until he started to get affectionate again

scribble 05/11/2021

oh yeah talking about affectionate

[redacted] 05/11/2021

now i've been a straight man my whole life, and usually when camerite would get horny

scribble 05/11/2021

he has sent me moan sounds of his made

[redacted] 05/11/2021

i'd try to just ignore him

because camerite had me convinced that he was just

like

[redacted] 05/11/2021
a nice guy who was just "affectionate"
but this time he really started to get into my head

[redacted] 05/11/2021
The docs weren't that good, since most of them were just cam being horny with people around the same age

[redacted] 05/11/2021
to the point where i actually started to like it and im really not proud of it

[redacted] 05/11/2021
and he was also like 16-15 at the time so I don't think that counts as being a pedo

[redacted] 05/11/2021
after the vc i was so weirded out how i could actually like something like that so i took it up with [redacted] cause i vented to him alot
and i proceeded to sit down with him

[redacted] 05/11/2021
oh wtf are these
the audio files

[redacted] 05/11/2021
and have [redacted] tell me that camerite had sent him a video of himself stroking his penis and then urging [redacted] to show himself

scribble 05/11/2021
wowm my keyboard sucks!!!
[redacted] haram sounds made by camerite

[redacted] 05/11/2021
[redacted] never sent me this video, but i can send you the whole conversation between me and [redacted] (edited)

[redacted] 05/11/2021
I know his voice yeah that's him

Camerite 02/17/2021
hfhfjhdhhsf
u hhhh
can... i admit something rn
kinda personal
02/17/2021
sure
Camerite 02/17/2021
tad bit pent up...
;; aa
02/17/2021
Camerite 02/17/2021
really..? i dont wanna come off like some kinda creep or predator... sorry ;w;
Honestly, to protect your longevity we should probably stop the topic on NSFW communication.
Camerite
alrighty
i just wanted to know what the age of consent was for you
since, in texas, it's 17 and im at that age
and technically, i'm an adult, so this puts me in risk...
Age of consent for me is at 18, in California.
Camerite
i see
Sorry for putting you at risk, it was stupid for me to admit to any request on NSFW interaction.
Camerite
no it's fine, we're doing the right thing
really i should be saying sorry for not asking beforehand..

conversation

Victim is currently 15 on this document creation

Victim #1 confronting Camerite.

When Victim #1 confronted Camerite. Camerite fully accepted that he's been doing disgusting stuff with Victim #2 and his behavior has been the same from 2017 to 2021.

Which is BIG proof that he admits he's a predator.

Also, you can see him saying "he's going to get help", but since it's the middle of the pandemic and me being very active on Discord, I was in Somewhere in Madness server and have seen Camerite been mostly online in Discord, which proves that he never went to get help, only lurking for more victims to have his scat roleplays with them.

Also big notes on here, he was an admin for a site called "Goodblox". He left after being found out of his predator actions by Vic #2 and Vic #1. He has been sexual with minors in the Goodblox community, sent nudes and etc...

@Camerite fuck im sorry if i messed up dude

[redacted] Today at 5:14 PM

you're sorry, huh?

messed up is a fucking understatement

i really hope you're fucking proud of yourself

i should have known the moment you talked about your oneshot porn drawings you were a greasy fucking pedophile

if you ever step into me or my friends lives i will put you into the fucking ground

spit it out

go on

Camerite Today at 5:16 PM

i am not a fucking pedo

i regretted this shit and am going to seek help for it

i told razor that im literally going to see a therapist about it

[redacted] Today at 5:16 PM

im not the only one you've been fucking wtih

Camerite Today at 5:16 PM

i know that

[redacted] Today at 5:17 PM

im sure you did all this shit on purpose

to think i thought you had changed from "shizza04"

i do hope you get help but jesus harold fucking christ

Camerite Today at 5:18 PM

i am going to get help

if i hadnt changed then i wouldn't be getting help, i would have only made it worse

its better that it's stopping right here right now instead of continuing

[redacted] Today at 5:19 PM

it's stopping? and you aren't just *SAYING* you'll get help?

Camerite Today at 5:19 PM

i mean it.

[redacted] Today at 5:19 PM
even after the big old fucking forum post you still continue your fucking behavior after all these years?
get a fucking lfie already dude i see why you get chased so often

Camerite Today at 5:19 PM
i literally told [redacted] not too long ago that i scheduled something, for me to get the help i need

[redacted] Today at 5:20 PM
really.

Camerite Today at 5:20 PM
i did.

[redacted] Today at 5:20 PM
reaaallly

Camerite Today at 5:20 PM
why do you doubt this
i already said, if i really didn't change then i wouldn't be doing this, im literally going to see a therapist *tomorrow* if not the day after

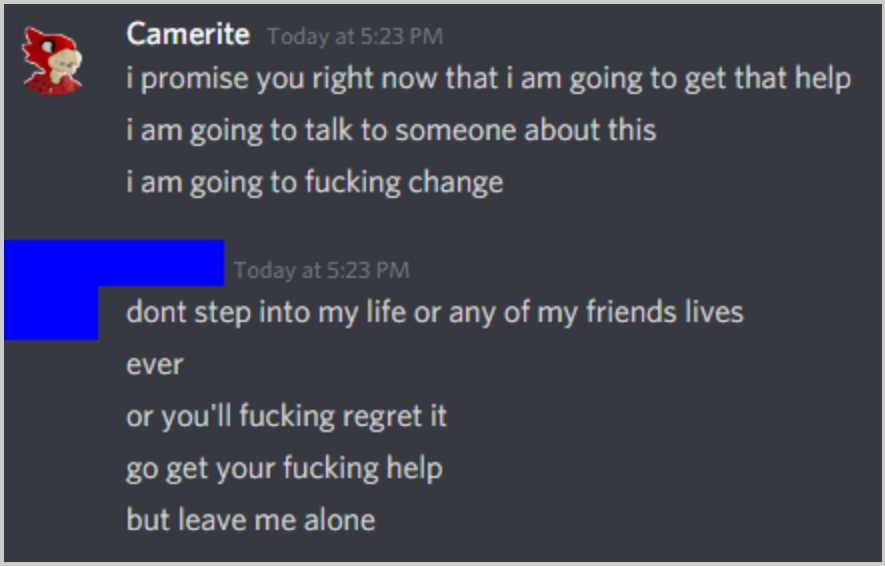
[redacted] Today at 5:20 PM
becasue you fucking act like nothing happened
literally

Camerite Today at 5:21 PM
what do you mean??

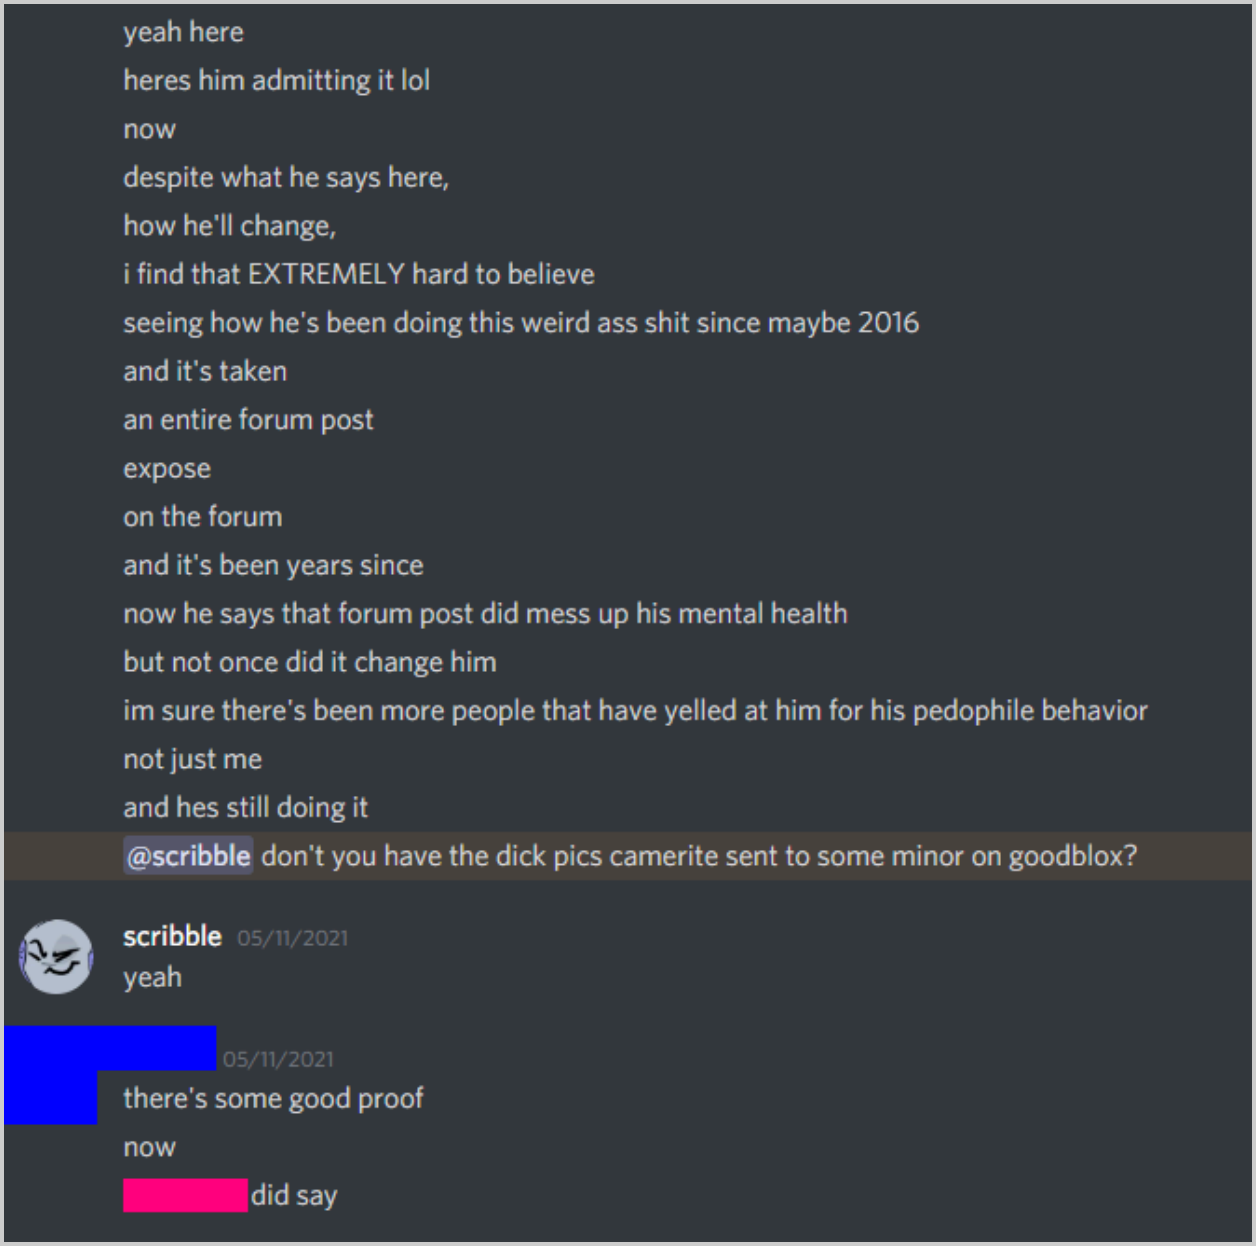
[redacted] Today at 5:21 PM
you were literally still trying to be friendly as if NOTHING AT ALL happened
you do all of that shit
and you still try to be a part of their life?
do you expect that to work?
what the fuck is the matter with you

Camerite Today at 5:22 PM
im going to stop
in fact, no, i already did

[redacted] Today at 5:22 PM
and you fuckign BETTER



Camerite Today at 5:23 PM
i promise you right now that i am going to get that help
i am going to talk to someone about this
i am going to fucking change
[redacted] Today at 5:23 PM
dont step into my life or any of my friends lives
ever
or you'll fucking regret it
go get your fucking help
but leave me alone



yeah here
heres him admitting it lol
now
despite what he says here,
how he'll change,
i find that EXTREMELY hard to believe
seeing how he's been doing this weird ass shit since maybe 2016
and it's taken
an entire forum post
expose
on the forum
and it's been years since
now he says that forum post did mess up his mental health
but not once did it change him
im sure there's been more people that have yelled at him for his pedophile behavior
not just me
and hes still doing it
@scribble don't you have the dick pics camerite sent to some minor on goodblox?
scribble 05/11/2021
yeah
05/11/2021
there's some good proof
now
did say

Continuance...

[redacted] 05/11/2021

like he said in the screenies

camerite sent [redacted] a video of himself stroking his cock

and he went for [redacted] because [redacted] suffers from teleiophilia, making him vulnurable

and it worked

so only [redacted] has that video, we just need [redacted]

to get off his lazy ass

cause im sure he has so much more proof than i have (edited)

i think i've said enough, there might be more but i think that's a good run down

fuck camerite he's gross, he had me convinced he was just weird

and he is very good at making himself look like the victim

so i had believed the people who were chasing camerite were edgy teens

but after what happened, the convo between me and [redacted]

i knew exactly who those "edgy teens" really were

people like me trying to stop him

it's just hard to get anywhere with this sitaution and he's been doing it for years, and i want his fucking greasy hands off minors

[redacted] 05/11/2021

In all honesty I wanted to ban him simply for just being THIS weird

[redacted] 05/11/2021

yeah i get that lol

[redacted] 05/11/2021

I asked him to share his screen and he'd say shit like "I don't have their dms open and I don't remember who I talked to"

Which is fucking weird it really did not help his case

[redacted] 05/11/2021
i know [redacted] has a picture of camerite irl that's more recent

[redacted] 05/11/2021
But I did want to say [redacted] How was Cam being sexual/weird? was he talking about you or was he talking about other stuff, from his own words he said shit like "We talked about fictional characters"

[redacted] 05/11/2021
cam would just start showing "affection" towards me in particular
i once mentioned my room was cold as hell
and he was like
"well you can sit on my lap its warm"

i proceeded to tell him that was the gayest shit he ever said

[redacted] 05/11/2021
Was it in vcs or do you have any screenshots?

[redacted] 05/11/2021
vc
all of his most intense affection moments
were all in VC
however
there were some moments like
after the VC would be over
he'd talk to me a little bit
about what happened

[redacted] 05/11/2021
Oh show

[redacted] 05/11/2021
i can find one instance where uhh
like on april 1st where he was getting into my head
as for the others
i'd have to look

[redacted] 05/11/2021
If you send me that I'll just most likely ban him rn on the spot lol

Camerite 30-Mar-21 01:21 AM
fuck, okay i am super affectionate rn but thanks ❤️

[redacted] 30-Mar-21 01:21 AM
np

Camerite 30-Mar-21 01:21 AM
as gay as it sounds, i dont.. think ive ever felt this close with you before and honest i kinda really like it (edited)

[redacted] 30-Mar-21 01:22 AM

happened so fast

Camerite 30-Mar-21 01:26 AM
i just really like being with you ngl but with how much i hold in my affection it all just kind of.. comes out at once so er.. yea

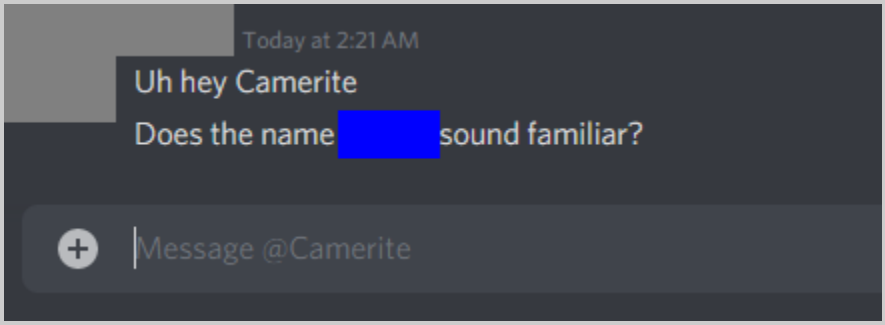
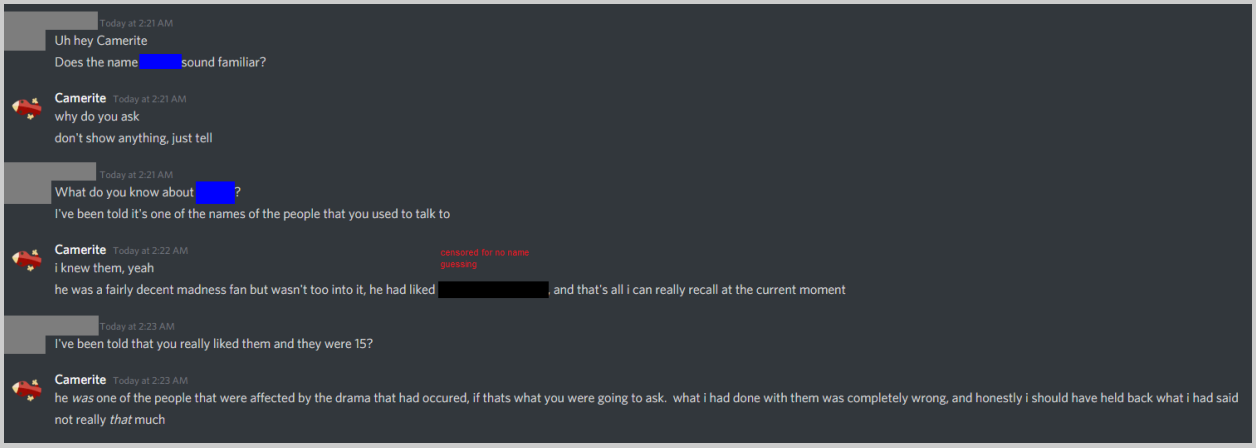
If you’re wondering what he looks like, there you go.

SiN Staff Member confronting Camerite

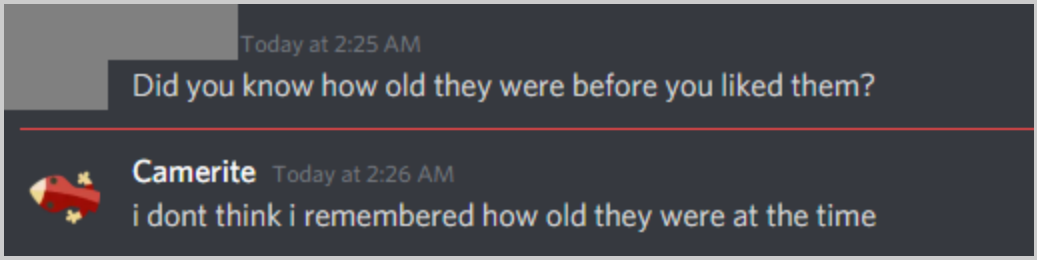
After proof was given and etc in The Group Chat. SiN Staff Member went to Camerite and started confronting him about it.

The stuff that Camerite says is so noticeable.

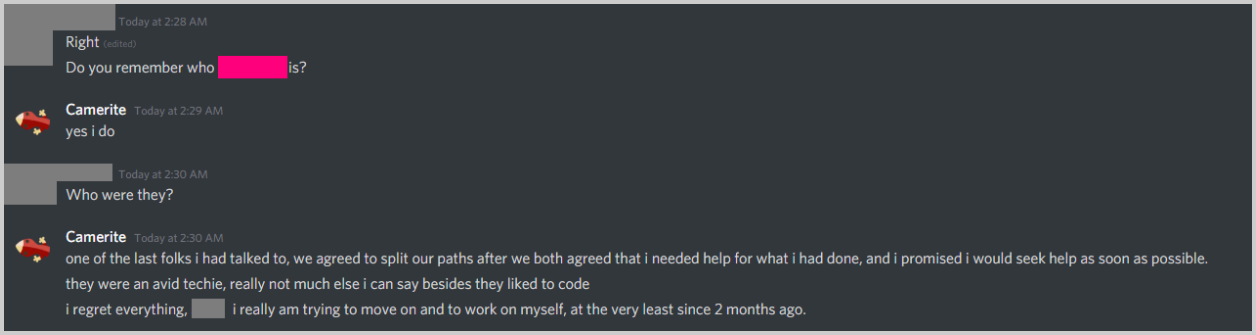




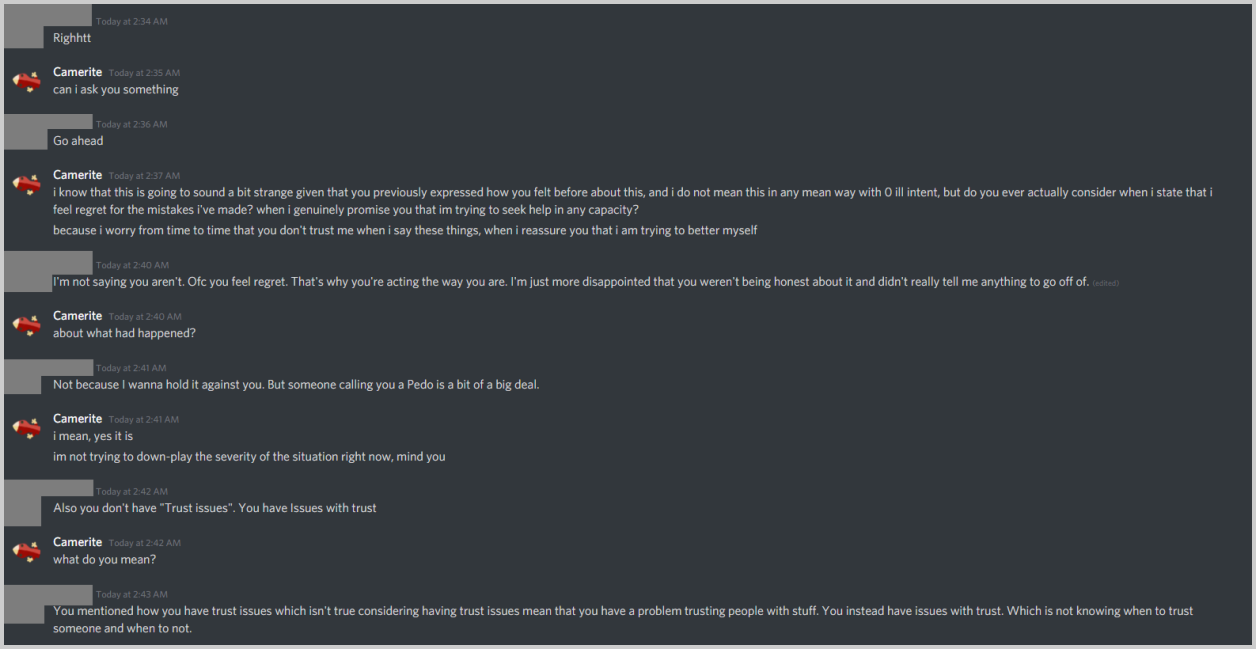
Today at 2:21 AM
Uh hey Camerite
Does the name [redacted] sound familiar?
Camerite Today at 2:21 AM
why do you ask
don't show anything, just tell
Today at 2:21 AM
What do you know about [redacted]?
I've been told it's one of the names of the people that you used to talk to
Camerite Today at 2:22 AM
censored for no name guessing
i knew them, yeah
he was a fairly decent madness fan but wasn't too into it, he had liked [redacted] and that's all i can really recall at the current moment
Today at 2:23 AM
I've been told that you really liked them and they were 15?
Camerite Today at 2:23 AM
he *was* one of the people that were affected by the drama that had occured, if thats what you were going to ask. what i had done with them was completely wrong, and honestly i should have held back what i had said
not really *that* much



Today at 2:25 AM
Did you know how old they were before you liked them?
Camerite Today at 2:26 AM
i dont think i remembered how old they were at the time

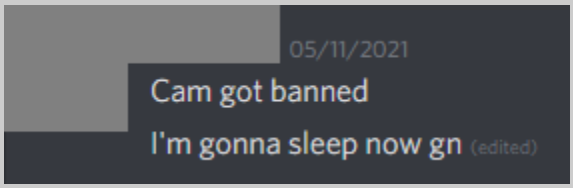


Today at 2:28 AM
Right (edited)
Do you remember who [redacted] is?
Camerite Today at 2:29 AM
yes i do
Today at 2:30 AM
Who were they?
Camerite Today at 2:30 AM
one of the last folks i had talked to, we agreed to split our paths after we both agreed that i needed help for what i had done, and i promised i would seek help as soon as possible.
they were an avid techie, really not much else i can say besides they liked to code
i regret everything, [redacted] i really am trying to move on and to work on myself, at the very least since 2 months ago.



Today at 2:34 AM
Righhtt
Camerite Today at 2:35 AM
can i ask you something
Today at 2:36 AM
Go ahead
Camerite Today at 2:37 AM
i know that this is going to sound a bit strange given that you previously expressed how you felt before about this, and i do not mean this in any mean way with 0 ill intent, but do you ever actually consider when i state that i feel regret for the mistakes i've made? when i genuinely promise you that im trying to seek help in any capacity?
because i worry from time to time that you don't trust me when i say these things, when i reassure you that i am trying to better myself
Today at 2:40 AM
I'm not saying you aren't. Ofc you feel regret. That's why you're acting the way you are. I'm just more disappointed that you weren't being honest about it and didn't really tell me anything to go off of. (edited)
Camerite Today at 2:40 AM
about what had happened?
Today at 2:41 AM
Not because I wanna hold it against you. But someone calling you a Pedo is a bit of a big deal.
Camerite Today at 2:41 AM
i mean, yes it is
im not trying to down-play the severity of the situation right now, mind you
Today at 2:42 AM
Also you don't have "Trust issues". You have Issues with trust
Camerite Today at 2:42 AM
what do you mean?
Today at 2:43 AM
You mentioned how you have trust issues which isn't true considering having trust issues mean that you have a problem trusting people with stuff. You instead have issues with trust. Which is not knowing when to trust someone and when to not.

After deciding if Camerite should be banned in SiN…..



Conclusion/etc...

Camerite has never changed himself, he would keep doing it till he's fully out of the internet, or jailed. He still lurks and chats around on a couple of servers that have minors on it and so.

Keep this in your mind.
